Temporary competition rules Swim Open Stockholm 2022

By reasons of the current and possible restrictions connected with the Covid-19 situation the Swim Open organization has already now decided that some temporary regulations will be applied for participation at Swim Open 2022. This is to ensure an infection prevention and safe arrangement for all participants.

Swim Open Stockholm reserve the rights to maximize to a total of 500 participants, of which 250 will be prioritized foreign participants.

Pre Entry: A participation at Swim Open Stockholm 2022 requires a Pre Entry. Each participant in the teams Pre Entry Form need to have a qualification by a standard time in at least one event. In the Pre Entry Form you attach each participants best qualified time inside the qualification period. **Last day for the Pre Entry Form is 2022-01-14** and be mailed to: management@swimopenstockholm.se. Pre Entry is of course free of charge. The official participant list will be presented 2022-01-21. All participants are then ranked by FINA points for their agegroup. The 500 participants with the highest ranking from foreign/swedish priorities will be allowed to attend. Additionally none qualified events for a participant are a subject to availability.

Accommodation: Also 2022 it's crucial that we can implement an infection prevention arrangement like we did 2021. Therefore all teams need to stay at the Clarion Stockholm where we can ensure a safe environment regarding meals and accommodation. Last day for booking accommodation is **2021-01-26**.

Swim Open Bubble: Depending on the situation in the future may require a presentation of a negative Covid-19 test for participation. If necessary a test center on spot like we had during Swim Open 2021 will be. We will probably also require mouth guard and other wise measures. More information about this will be presented closer to the event when we can overview the status.

Other: Depending on the future situation around Covid-19 and if we get new updated guidelines or restrictions other decisions may be necessary like a reduced event or restricted foreign participations. If so we inform you asap.

Cancellation: If there will be a total cancellation of Swim Open Stockholm 2022 the Sweden Swimming Federation cover all costs for the teams booked accommodation. Otherwise the cancellation policy in the invitation applies for accommodation.
